Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

- **Performance cookies.** These are used to gather data to enhance the performance of the website. You can manage your consent for performance cookies using the cookie banner, or by updating your browser's settings (often found in your browser's Tools or Preferences menu) to not accept cookies.

- **Analytical or performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, for example to remember your preferences (for example, your choice of language or region). You may opt-out of these cookies, but it will impact your experience on the website, and you may need to repeat certain selections each time you visit. You can manage your consent for functionality cookies using the cookie banner, or by updating your browser's settings (often found in your browser's Tools or Preferences menu) to not accept cookies.

- **Targeting cookies or advertising cookies**: Targeting cookies are used to deliver content relevant to your interests They are also used to limit the number of times you see certain marketing materials, as well as help measure the effectiveness of those marketing materials. If you do not provide consent for targeting cookies, your computer or internet-enabled device will not be tracked for marketing-related activities.

You can manage your consent for targeting cookies using the cookie banner, or by updating your browser's settings (often found in your browser's Tools or Preferences menu) to not accept cookies.
